

ATTENTION SAINT JOSEPH CULINARY WIZARDS

Saint Joseph School and Parish will be creating a delicious cookbook. We would like your help! We would like you to submit any recipes that you and your family make that are absolutely mouth-watering! Recipe collection sheets will be available at the back of Church or in the school office. Please submit your recipes on the provided paper.

All recipe collection sheets may be turned into the school office, Attention Kelley Snyder, or may be turned into the recipe collection box at the back of Church. Please have all recipe collection sheets returned by Monday, October 13, 2008. All recipes will be submitted and turned into a customized cookbook that will be for sale in early spring. Thank you in advance for sharing your favorite recipes with us. Together, our cookbook will be the most popular cookbook around!

If you have any further questions, please contact Kelley Snyder at 865-2750.
